

How to use El-dorado Plus combustion toilet:

- 1 Open the lid and the seat.
- 2 Insert a new bag.
- 3 When the visit is over, press down the pedal on the right side of the toilet. Make sure the hole bag falls into the combustion chamber. Release the pedal and close the seat.
- 4 Start the combustion by pressing the green bottom on the top of the toilet. You can still use the toilet while it burns.
- 5 Never throw cigarettes, flammable liquids or any other objects than toilet paper in the toilet.
